Summary

I am a final year Computer Science student pursuing B.Sc(Hons) from Ramanujan College (Delhi University). I have been working as a web developer for quite some time now. I believe I am a very ambitious person who loves to work on making the websites that work well. Working on the web is my passion as I love to work on exciting projects. I am quite resourceful and diligent. I try to take every possible chance to sharpen my skills further and would leave no stone unturned to prove my worth if given the opportunity.
